

May 06, 2026

To all whom it may concern

This is to certify that

WIN SOFTWARE WORLD LTDA a Brazilian company with its main offices R. Itaoca 23, Alto Itapemirim, Itapemirim, ES 29330-000, Brazil is appointed by Autodesk as a Member of the Autodesk Developer Network (ADN) Program

They have been a member of the **ADN Program since January 2026.**

A significant portion of AutoCAD users utilize third-party applications together with their Autodesk software. The **Autodesk Developer Network (ADN)** program is designed for companies and individuals who collaborate with Autodesk to develop solutions, integrations, and services based on Autodesk technologies.

As part of its participation in the ADN Program, **WIN SOFTWARE WORLD LTDA** develops applications and solutions that integrate with Autodesk technologies and actively operates within the Autodesk ecosystem.

In addition, the company **is authorized to market, commercialize, and provide Autodesk software products and related solutions**, supporting customers with implementation, licensing, and integration services involving Autodesk technologies.

Members of the ADN Program receive technical resources, development tools, and software support intended to foster innovation and the expansion of solutions built around Autodesk platforms.

Therefore, **WIN SOFTWARE WORLD LTDA** operates within the Autodesk ecosystem both in the **development of solutions and the commercial distribution of Autodesk software products and services.**

A handwritten signature in black ink that reads 'Caroline J Ward'.
